FİRMAMIZ / OUR COMPANY

Merd Asansör; 2000 yılında 200 m2 üretim alanı ile faaliyetine başlamıştır. 2014 yılı sonu itibariyle Yenibosna ve İkitelli bölgelerinde, üretim alanlarını toplamda 5000 m2'lik alan üzerinde devam ettirmektedir. Firmamız tedarik alanındaki başarılarını paket malzeme ve üretmiş olduğu ürünler üzerinde de aynı kalite standartlarını sürdürmektedir.

Kabin, yarı otomatik kapı, kumanda panosu ve konsol gruplarını yüksek kalite ve zamanında teslimat prensibi ile sürdürmektedir. Uzman teknik kadromuz ve son teknoloji makina parkurumuz ile kalite ve güven çerçevesinde çalışmalarımızı eksiksiz yerine getirmekteyiz.

Merd Elevator has started its activities in 2000 with 200 m2 production area. By the end of 2014, It continues on 5000 m2 production area in İkitelli and Yenibosna districts. Our company continues its success in the area of supply, also keeps continue on the same quality standards in the packaging materials and manufactured products.

It continues cabin, semi-automatic door, control panel and console groups with the principle of high quality and delivery in due time. We fulfill our work thoroughly in the framework of quality and reliability with our expert technical staff and the latest technology machinery.

Üretim parkurumuzda;

2 adet CNC lazer, 1 adet Punch, 5 adet CNC Abkant, 2 adet Giyotin Makas ve 5 adet Hidrolik Pres makineleri ile üretim faaliyetlerine aktif olarak devam etmektedir.

We actively continue with our production activities with use of;

2 units of CNC laser machines, 1 punch machine, 5 units of CNC press brakes, 2 units of up-cut shears and 5 units of hydraulic presses that we have in our production layout.
